*The Secretary

Madras*

Sir,
We have the honor to acknowledge the receipt of copy of G.O. No. 2497 dated 13th November 1897 stating in reply to our enquiries as to how far the Chairman of the Palghat Municipality was justified in demanding information as to the Capital invested in and the annual income derived from our Bulk Oil Installation at Palghat, that Government regretted they were unable to give a ruling on the legal construction of an Act of the Legislature.

Whatever the powers are of the Chairman under the District Municipalities Act we feel sure it was not the intention of the Legislature that same should be carried out in an arbitrary and inquisitorial manner, and we venture therefore to ask that Government will be good enough to address the Municipality in question and request them to exercise a greater discretion in carrying out the provisions of Section 62.

*We have the honor to be
Sir*
