Municipal Office

Gannanore, 2nd December 1897.

LOCAL & MUNICIPAL DEPT.
CURR 43.72h

From

The Chairman
Municipal Council,
Gannanore.

To

The Secretary to Government
Local & Municipal Department.
Thro' the Sub Collector of Malabar, Madras.

Sir,

With reference to Memorandum No 1127
dated 4th November 97 on the Report and
Statements of this Municipality for 1896-97,
I have the honour to submit the explanations
called for as follows:—

Clause 1. With regard to the discrepancies
noticed between the figures shown in Statement
I and IV A under income from Slaughter house
and sale of rubbish, I have to state that
increase of Rs 4 and Rs 12 respectively in
Statement I over the figures in Statement
IV A is on account of fines levied from
Contractors.

Clause 10 The correct figure under
"attendance" Municipal Secondary Schools
is 188 and not 170, which latter was
the number on 31st March 96, and was
therefore an error. The correct figure
under

3
43.72

Nov 1897

under "No. presented for Examination" under Infant Standard appears to be 123 and not 143 as shown in the Educational Statements and therefore the latter was apparently a clerical error.

Clause 11 I find from the Office copy of statement V for 95-96, that there were 11 fukka built and 7 wooden SENTRY box latrines. The figure for the latter appears to have been first put down as 14 and then corrected as 7, but the correction remains unattested. On enquiry I understand that there were only 11 fukka built latrines in 95-96 and one though erected in 95-96 was only shown in the Statement for the year 96-97. As for the No. of SENTRY box latrines, the Sanitary Inspector reports that there were 14 SENTRY boxes in 95-96 and that 2 of them were washed away by sea in 96-97. So the No. of fukka built and SENTRY box latrines on 31st March 97 was 12.

Clause 14 I wrote to the Civil Surgeon regarding the discrepancy observed in this clause, and he reports to me that he got the

information for his report from the Sanitary Overseer. The figure is a mistake, and the same explanation as is given against Clause 11 applies to this also.

Clause 4 Statement II A (in manuscript) is herewith submitted in which the omitted particulars are given.

Clause 9 I understand that the Results Grants were paid at the maximum rates subject to the amount of the allotment sanctioned for each school.

Clause 12 The memorandum of investments prescribed in G.O. No. 291 M dated 25th February 1897 is herewith submitted. The description of the security has not been given as the papers in connection with it have not been found in this Office even though a search was made for them.

I have the honour to be,
Sir,

Your most obedient servant

Chavimar
