Sir,

With reference to
your footnote No. 10682 of
the 17th Current, I have the
honor to state that 8.5 per-
cent of the results granted
allowed to lapse in the

Adoni Municipality was
due to the fact that two of
the results schools admitted
to aid during the year
1896-97, having been closed

precious to the rates of
examination.

2. The adverse season
of the year also tended to a
little extent for the decrease
in the attendance of the
School.

I have the honour to

Your most obedient
