Resolution.

As regards vaccination it has already been resolved to obtain a supply of lanoline lymph paste from Bangalore instead of glycerine lymph which has been supplied from local depot.

With regard to registration of births and deaths also, it has already been resolved to get Telugu translation of the sections of the District Municipalities Act Amendment Act relating to the registration of births and deaths widely circulated among the people of the town and to have two boards, containing the translation of the sections, fixed at the conspicuous places of the town. The latter resolution has been carried out.
