The proposed sale of the land in question cannot be approved as it does not appear to form part of a thoroughfare ~~over~~ land over which the public have a right of way. It is apparently the property of Govt. and if so, it should be dealt with in the Revenue Department.

Submitted to Government, Local, and Municipal Department for favour of sanctioning the sale of the site. I do not as a general rule approve of such sales but the present case appears to be exceptional in that the land is not in use as part of the street but is adjoining waste the grant of which to the applicant will improve the alignment of the street without inconveniencing any one.
