The Revenue divisional Officer Adoni

Sir,

I have the honor to state that one M.R.Ry. Yellay Mallappa Garu of Santekudlur of Alur Taluq, a wealthy Sowcar in Adoni put in a petition to the Municipality praying for the grant of an open site measuring 60x60 yards adjoining

adjoining the Municipal
office for the purpose of
building a chutram at
a cost of upwards of
Rs 20,000 for the accommoda-
-tion of the Hindu travellers
and the Council in its
resolution No 2 passed
at its meeting held on
15th November 97, granted
the site. The site in
question is a low ground
lying to the west of the old
Railway feeder road
and forms a very small
portion of the ground
reserved for the public
park and the Municipal
office Compound. There is
still ample ground
for laying out the Contem-
-plated park. Apart from
this Consideration the Council
had to grant the site to the
petitioner owing to the
momentous fact that
suitable vacant sites
are

are not available in the
interior of the town which
is replete with narrow
and tortuous lanes and alleys
not to speak of the fact that
the proximity of the site to
the Railway station and
its adjoining the public
road are factors which
confer greatest utility upon
the proposed institution
which has been a long-
felt want in the town and
which the Council cannot
undertake to build as
it is beyond the means
at its disposal. ——

embark on a costly

Council to comply with
the petitioner's request

in him who is aged and heirless and debars him from giving effect to his scheme, a tangible boon to the public. There is every likelihood of the petitioner undertaking to lay out the park at his own expense.—

3— Besides the scanty accommodation now available for Mohamadans and other Caste people in the small Municipal Choultry not very far from this site, separate accommodation for them will also be provided for by the petitioner in the open site opposite to that proposed for this Choultry on acquisition of the same from a private individual.—

4— Under the circumstances portrayed above the Council was only too glad to avail itself of this splendid opportunity and I request you will be pleased to obtain the sanction of Government for the transfer of the property granted to the petitioner.—

5— A site plan and a copy of the resolution of the Council are submitted.—

SIR,

I have the honor to state that M.R.Ry. Yellay Mallappa Garu, a wealthy merchant of Santa Kudlur in the Alur Taluk applied to the Adoni Municipal Council for the grant of a piece of open ground adjoining the Municipal office in the town of Adoni for the purpose of Constructing a Chattram for the accomodation of Hindu travellers at a cost of about Rs. 20,000.

2. A Sketch showing the position of the Site applied for which is the property of the Municipality and forms part of the land acquired under Government notification

No. 384 p[illegible]ished at page 107 of the Fort St. George Gazette, L & M. dated 18th June 1895, is herein enclosed.

3. The applicant has agreed to Construct the Chattram within 18 months from the date on which the Site is handed over to him, bound himself in writing to maintain the Chattram himself after it is built and to make no improper use of it.

4. The Adoni Municipal Council has Consented to transfer the site to the applicant and its resolution granting the application is herewith forwarded with the Chairman's Covering letter No. 1 dated 4th Instant. The Divisional officer strongly supports the proposal. As the want of a good Chattram in the large town of Adoni has long been felt, I request that Government will be pleased to accord its sanction for the transfer of the Site. In case sanction is accorded a plan of the proposed building will be obtained and submitted for the information of Government.
