No 1076

Municipal Office

Tellicherry 26 January 1898

From

Mr. J. Murphy Esquire
Chairman.

Municipal Council.
Tellicherry.

The Secretary to Government

Local and Municipal Department
Fort St. George.

Sir

Adverting to your endorsement 2^o 51, dated 15th January 1898, on letter 2^o 534, dated 18th December 1897, of the Surgeon General with the Government of Madras, I have the honor to state that it is unfortunately true that the sum of Rs 1272. 15. 10 is still due to the Government Medical Store Depot on account of medical stores supplied to the Council so long ago as November 1893.

2^o Subsequently to that year medical stores were got from Messrs Burgoyne Burbridge & Co, but no endeavour appears to have been made in succeeding years to pay off the debt in question. The payment was not provided for in the Budget of those years, nor although on 31st March of the years 1895, 96, and 97 there was a sufficient balance in the Treasury to the credit of the Municipality, do any steps appear to have been taken to

to discharge the liability. The only explanation which I can imagine for this state of things is that the respective Chairmen were not sufficiently pressed for payment.

3. I regret to say that immediate payment is not possible now either, as Government is aware, every effort is being made to collect old and current arrears. The payment of establishments has gradually been brought up to date and old standing bills of Contractors are being gradually paid off. But before the close of this official year, I am confident I shall be in a position to discharge the liability in question, and I shall see that this is done.

4. The letter received with the endorsement under report is enclosed.

I have the honor to be,
your most obedient servant,

M. J. Murphy
Chairman.
