Sir,

With reference to your letter no 2017 dated 29th october 1897, I have the honor Eng to report that on 12. 10. 96, a mahazar was received from the inhabitants of Chitur road Street, stating that the lane in question was a source of great annoyance to them and that therefore it should be blocked ~~block~~ up and assigned for the construction of house

2. This was refered to the Divisional ~~Officer~~ Councillor who stated that no person passed through that lane after 7. Pm and that the existence of a shady tamarind tree there was conducive both for committing nuisance during nights unseen and for thieves to come and pass through it.

3. Subsequently in a meeting held on 9.1.97, the subject was again refered to a Sub Committee for its opinion and the Sub Committee agreeing with the Divisional Councillor's views having stated that the lane should be blocked up, it was finally resolved by the Council, in a meeting held on –th March 1897, that the lane should be closed.

4. Later on, an application wa received for the sale of the land thus closed and the Council finding no use of the lane and considering tha there are 2 ways on both sides of thi lane at a short distance, resolved t obtain sanction of Government for its sale.
