There is apparently more to this than meets the eye. It is somewhat difficult to reconcile the ^{extraordinary} rise in the no. of patients with the ^{statement} that the H.A. is wanting in knowledge & skill. Orders are requested as to whether further enquiry should be made?

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Local & Municipal DEPARTMENT.

SIR,

With reference to para 4(3) of G.O. No. 2272 dated 18th October 1897, I have the honor to state for the information of Government that I have made necessary inquiries respecting the sudden increase in attendance at the Nago dispensary and find that there has been a large and genuine increase in the attendance.

2. The Hospital Assistant who is young and very zealous seems to have worked very hard to get the people to attend the hospital. There has however been one grave disadvantage viz., that his knowledge and skill have been unequal to his energy and zeal. The result has been that many cases have attended the dispensary who would have received better treatment at more experienced hands.

3. Moreover he is only a third class Hospital

Hospital Assistant and according to para: 5
 G.O. No: 527, Public, dated 25th June 1895,
 not eligible to hold an independent
 charge. He will in the long run prove a
 better medical ^{man} if he spends some of his
 time under an officer of superior skill
 and greater experience than his own. I have
 therefore suggested to the Municipality that
 he should be transferred to Negapatnam
 where he will have the advantage of working
 under the Civil Surgeon and tempering his
 zeal with knowledge.

I have the honor to be,

Sir,

Your most obedient servant,

C. S. M. S.

Surgeon-Major-General
