The Clerk

Report on the audit of the Accounts of the
Municipality for the year 1896-97.

Madras.

Dated 15th November 1897.

To

THE Accountant General.
Madras.

SIR,

I have the honor to submit the following report on my recent audit of the accounts of the Corporation Municipality for the year 1896-97.

2. The Receipts and Expenditure of the Municipality during the year under report (exclusive of Deposits), together with the opening and closing balances, are shown in Statements I and II appended.

3. The opening Balance as given in Statement I is in agreement with the closing Balance of the previous year's audit report.

4. The closing Balance, viz., Rs. 4173.10.4, was in agreement with that appearing in the Bank Pass Book, allowing for outstanding cheques, and for deposits.

5. Statement VI explains the differences (shown in red ink in the other appended Statements), between the figures of these Statements, and those of the Statement submitted by the Municipality with their Annual Report to Government, or

The audit having been conducted before the preparation of the Municipal Annual Report to Government, the figures contained in the accompanying Statements should agree exactly with those in the Statements that will accompany the Annual Report.

6. A note on all the discrepancies and defects noticed in the accounts has been placed in the hands of the Chairman.

7. The audit has been conducted according to the instructions contained in the Enclosure to Accountant-General's letter to Government No. L. F. D. 495, dated 19th February 1892, as modified by subsequent Government Orders.

8. ~~Nothing was discovered important enough to call for immediate action on the part of Government,~~ or

The following points ~~deserve to be~~ ^{may} brought to the immediate notice of Government

An excess payment of Rs 10.12.0 was made to the Municipal Sanitary Inspector as travelling allowances to and from Gopacamund, to give evidence in a case

in which the Municipality was interested. It is admitted that the allowances are in excess of those admissible under Civil Service Regulations, but the Chairman contends that they are covered by the High Court rule referred to in the attached copy of letter from the Sheristadar of the Coorg Sub. Court. This contention might be accepted if the allowances had been paid by the Court, but as they were disbursed by the Municipal Office, the travelling allowance must be regulated by the rules relating to journeys on tour, vide article 1244 C.S.R.. In other words the Officer can only draw halting allowance for days on which he travels not more than 20 miles, instead of mileage plus battha, as he has been permitted to do.

The matter is alluded to here as the Chairman, with whom it was personally discussed, does not accept my view, and gave me to understand that he would be glad of an authoritative ruling on the point.

I have &c
