Enclosure.

SIR,

I have the honor to append the following remarks on the Gudiyatam Muni Budget for 1898-99:-

(1) In view of the good work done by the Muni Vaccinator last year, the increase of salary proposed for him has my support. For a similar reason, I approve of the Council's proposal to increase the pay of the Registrar of Births & Deaths.

(2) The conservancy allotment is 27 per cent of the estimated current receipts, and is inadequate for requirements. The scavenging staff is disproportionate to the population that has to be served. I would advise that early steps be taken to strengthen it. Seventeen more are required.

(3) Under Grant I, a sum of Rs 1090 is set apart for the execution of certain minor works of a Sanitary nature. I

I have the honor to be,

Sir,

Your most obedt servt,
