OFFICE OF THE DIRECTOR OF
PUBLIC INSTRUCTION,
Madras, 1st February 1898.

No. 801

From

THE HONOURABLE MR. D. DUNCAN, M.A., D.Sc. LL.D.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

The Secretary to Government,

Local and Municipal Department.

SIR,

With reference to paragraph 4 (2) of G.O.No 58-M, dated 10th January 1898, I have the honour to state that, to the provision made for education in the budget estimate of the Palni Municipality for 1898-99, should be added the following:-

- Rs.150 under training schools-Rs.120 towards the payment of stipends to two teachers of the primary grade to be sent for training and Rs.30 for the working of a sessional school in the town. The proportion of untrained and unpassed teachers in the Municipality being unduly large, it is necessary that some provision should be made for this purpose.
- Rs.100 under results grants. With reference to the actuals of the last year, the allotment should be raised to Rs.800.
- A provision of Rs.50 at least should be made for payment of building and furniture grants to results schools to enable their managers to improve the accommodation and furniture of such schools, so as to fulfil the requirements of the Educational Rules.
- The pay of the Gymnastic Instructor, viz, Rs.10, is too low and the Inspecting officers strongly recommend that it be raised to Rs.14. I would suggest that his pay be raised to Rs.12 at least. The allotment should be raised by Rs.20.

2. Under receipts, credit may be taken for a stipendiary grant of Rs.72, or in round numbers Rs.70, on behalf of the two teachers

to be sent for training, and the salary grant for the Gymnastic Instructor for which credit is taken may be raised to Rs. 70, if the suggestion to increase his salary be approved.

3. With the above modifications the net expenditure on education will be Rs. 1630 (1890-260), or between 13 and 14 per cent of the estimated income of the Municipality from taxation, markets and rents.

4. I was not able to submit my remarks on the budget earlier as a detailed statement of receipts was not furnished to me by the Chairman with the budget estimate.

I have the honour to be,

Sir,

Your most obedient servant,

S. G. G. G.

Director of Public Instruction.

OFFICE OF SANITARY COMMISSIONER,
Fort St. George, 3^d Feb'y 1898.

From

SURGEON-LIEUT.-COL. W. G. KING, M.B., C.M., D.P.H.,

SANITARY COMMISSIONER FOR MADRAS,

To

THE

Secretary to Government,
Local and Municipal Deptt.

Enclosure.

SIR,

Referring to the Palni Municipal Budget for 1898-99, I have the honour to state that I have no remarks to offer on the provision therein made for Vaccination. That for Conservancy Shows a decrease as compared with the allotment for the current year, which was regarded as inadequate for requirements—Vide my letter embodied in G.O. No. 193m dated 10th February 1897. The Council pleads paucity of funds as standing in the way of giving effect to my suggestions for improving the existing staff and plant, but I do not see that its resources are inelastic. This I have already represented to the Municipal Council in the accompanying copy of letter addressed to the Chairman. I beg to request therefore that Government will be pleased to insist on the Council providing for these bare necessities without which no municipal administration, however,

however, efficient it may be in other branches,
can be regarded as successful. This town is an
important place of pilgrimage and experience
shows that from this point Cholera is imported
to the west Coast.

I have the honour to be,
Sir,

Your most obedient Servant,

W. G. King
Surgeon Lieut Col,
Sanitary Commissioner for Madras.

Sir,

Sir,

With reference to your letter NO. 167 dated 8th No-
vember 1897, I regret I cannot agree with you in thinking that
your resources are so inelastic as represented. On looking
over your budget for the current year, I find that several
items of taxation are capable of expansion and that any one
of them, if enhanced, will bring in a surplus which will more
than cover the small expenditure entailed by the employment
of a Certificated Sanitary Inspector. I have the honour there-
fore to request that, as promised by you in the letter under
reply, you will kindly bear this in mind and find means to pro-
vide for the appointment advised by this office. I would at
the same time ask you to have recourse to the alternative pro-
posed above only in the event of your being unable to find
funds by any other means.

I have the honour to be,

Sir,

Your Most Obedient Servant,
