Enclosure.

SIR,

I have the honour to submit the following remarks on ^{the} Vaccine and Sanitary portions of the Nellore Municipal Budget for 1898-99:-

- (1) The entertainment of the peon referred to in para 67 of the Chairman's budget letter is necessary, and has my approval.
- (2) The proposed expenditure on Conservancy is 22.7 per cent of the estimated receipts, against 18.5 per cent set apart for the current year, and is still below requirements, for the reasons stated in my reviews of previous budgets. The Conservancy plant has not been improved, as advised in my Inspection Notes embodied in G.O. No. 858 M dated 18th May 1896. I find from para 38 of the Chairman's last administration report, that there were only eight night-soil carts in use in the town, against 12 suggested by me in the notes referred to above.

The

Has been
disallowed in
para 44 of G.O. 179 M
25.1.98

The staff of Sweepers and scavengers, as exhibited in statement II-B, is not in keeping with the scale advised in para 12 (b) of the said notes.

(3) Under Grant I, four public latrines are proposed for execution at an estimated cost of Rs 800.

I have the honor to be,
Sir,
Your most obedient Servant,
W. W. W.
Surgeon Lieut Col,
