G. No. 551

MUNICIPALITY OF MADRAS,

General Department,

Madras, 24 February 1898.

From

LIEUT.-COL. SIR GEORGE MOORE, RT., C. I. E.,

President, Municipal Commission.

To

The Secretary to Government,

Local and Municipal Department,

Fort St. George.

SIR,

With reference to G.O.Nos. 2852 & 2853 M, dated

Enclosure.

20" December 1897, I have the honor to state as follows:-

2. Para 15- Drainage- The expenditure under Thacker Street Drainage is shown under item 84 in Appendix 1, Statement 11 A, page 86 of the Report.

3. Para 20- Vaccination- As directed in the Vaccine Code, only operations on persons who have been previously vaccinated with success or have had small-pox or have been inoculated, are classed in our returns under re-vaccination. Where vaccination for the first time failed and the operations were repeated, such cases were returned as Primary, but this practice was given up under a circular from the Sanitary Commissioner, which directs them to be classed under Secondary vaccination.

4. In regard to the remark that "as many as 5439 of the children under one year of age available for vaccination

The inclusion was not clear -

and born in Madras thus remain unprotected", I submit that --
though the number of children above one year vaccinated in --
Madras does not wholly represent the children born in the City,
yet more than 50 % of that number would have been born here, and
it has been repeatedly pointed out in previous reports that --
children born in the Hospitals of Madras, numbering about 2500
annually, could not be traced for vaccination after 6 months,
owing to insufficiency of information in regard to residence
of parents furnished by the Medical Officers in charge of those
institutions, under section 400 of Act 1 of 1884.

5. Unless the schedule L appended to the Act is altered so as
to show the residence of the parents, the vaccinators will con-
-tinue to experience difficulty in tracing hospital births.

I have the honor to be,

Sir,

Your most obedient servant,

Wm. Moore Lieut.-Col.,

President, Munl. Commn.
