From

Surgeon-Lieut.-Col. W. G. King, M.B., C.M., D.P.H.,
Sanitary Commissioner for Madras,

To

The Secretary to Government,
Local and Municipal Department.

Sir,

With reference to the Karur Municipal Budget for 1898-99, I have the honor to state that the provision therein made for Vaccination is the same as that for the current year and calls for no remarks. The allotment for conservancy is 25.8 percent of the estimated receipts and is inadequate for the following reasons:-

- (a) Cholera charges are very much underestimated, amounting to only Rs50.
 - (b) The town is not in possession of the services of a Certificated Sanitary Inspector-a very desirable matter in the interests of sanitation. Should Government approve of the suggestion, the necessary provision should be inserted to allow of a certificated man on Rs20 plus Rs15 being employed next year.
2. A few minor sanitary works are proposed for execution under Grant I at an aggregate cost of Rs200.

I have the honor to be,

Sir,

Your Most Obedient Servant,

W. G. King
Surgeon Lieut: Col:

Sanitary Commissioner for Madras.
