SIR,

With reference to clauses 2, 3, and 5 of Para 3 of G. O. No. 2190 M. dated 8th October 1897 reviewing the Administration Report of this Municipality for 1896-97, I have the honor to report as follows.

2. Clause 2 of Para 3 - A statement shewing the demand Collection and Balance up to the 31st December 1897 of the principal taxes that remained in arrears on the 31st March 1897 is herewith submitted. It will be seen therefrom that out of the arrear demand of Rs 21352, Rs 7768 or 36.4 per cent was collected and Rs 5912 or 27.6 per cent remitted leaving a balance of Rs 7670 or 36 per cent. Year was

remission being under enquiry by a
ward Councillor. Rs 2365 or 30 percent
of the outstanding balance relates to
Pro. tax notwithstanding the large
remission of Rs 3843 granted in the
course of the current year. The arrears
under water tax relates only to 1895-96
and 1896-97.

Strenuous efforts are being
made to collect or otherwise clear off
the balance under the several heads of
tax by the end of the current official
year and will, it is hoped, be attended
with success.

Clause 3 of Para 3.— It has been
remarked by Government that nearly

37 per cent of the total number of
warrants for disposal remained
unexecuted at the end of the year 1896-97
and an explanation of this state of
things is called for.

It is submitted that it has been the
practice hitherto to issue ^{warrants} as a matter
of course on the expiry of the 15 days time
allowed in the bills for payment of
tax without considering the necessity for
their issue at all. There was also no
fee to be exacted from the defaulter
under the old act as is the case now
under sec 104 of the amendment act.

The Bill Collectors armed with the
warrants appear to have used them
only as means of threat without ^{executing} them.
The number of warrants that remained
for disposal on the 31st March 1897 was
9682. Of these 1667 have been executed,
5716 yet remain to be executed;
in the case of the others, the taxes due
have been remitted. In most of the
