Sir,

In forwarding herewith the Council's resolution at its meeting of the 12th August last, I have the honor to bring to the notice of Government that for several years the Samasthanum was liberally providing for the education of girls in this town by maintaining two girls' schools one of which was a free boarding school and the other a day school both having been established in the days of the late Maharajah's respected father. Respectable families were encouraged to send their girls to those schools by their being provided with conveyances and other facilities and the poorer classes were provided boarding and other accommodations where they were necessary -

2. The late Maharajah evinced as much interest in the improvement of these institutions so liberally started by his father. He had even entertained ideas of raising the standard of one of them into that of a high school and opening a training school

for female teachers. Subsequent to the sad demise of the maharajahs the day girl school was abolished.

3. The managers of the school with the help of a few public spirited gentlemen who have promised subscriptions has, however, undertaken to maintain the institution; but the help thus obtained was found insufficient to meet the demands of the school. He therefore appealed to the Council for at least a temporary aid, hoping that he might be able to secure in the meanwhile a more substantial and permanent support either from the public or from the Provincial funds, should the Government be pleased to sanction any such aid from these funds. The matter was fully discussed on the 12th August last when the Council resolved, subject to the sanction of Government, to contribute Rs 10 a month towards the cost of maintaining the school for one year from the month of August last.

4. This is the only existing girl school, for the whole town with a population of about 30,000. which, without this aid the Council fears, will have to be closed at once for want of funds when it will not be easy to start a fresh school for girls. The Council is of opinion that while it spends so much for the education of

of the boys it ought to do something for the education of the girls also in the town and instead of maintaining a separate school for girls, it is cheaper for the municipality to assist an existing school by a small contribution.

5. Under the above circumstances I most earnestly request you to be so good as to obtain the sanction of Government for the grant promised to the institution by the Council.

I have the honor to be
sir,

Your most obedient servant

OFFICE OF THE DIRECTOR OF
PUBLIC INSTRUCTION,
Madras, 13 November 1899

No. 12506

From

THE HONORABLE MR. D. DUNCAN, M.A., D.S.C., LL.D.,

LOCAL & MUNICIPAL DEPT.
DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

The Secretary to Government,

Local and Municipal Department,
Fort Saint George.

SIR,

In returning Government endorsement No 1101, L & M, dated 21st ultimo, I have the honour to submit the following remarks.

2. On a reference to the Inspector, I understand that the girls' school in question was started thirty years ago and maintained by the Vizianagram Samasthanam till the Estate passed to the management of Government, when it was proposed to abolish it. Some of the local gentlemen interested in female education desired the present manager to keep it up and promised their support. The school is now 120 strong and the establishment, which consists of seven teachers, costs about Rs. 60. The local subscriptions come to only Rs. 6 and the headmaster and the first assistant work on credit on promise of being remunerated from grants.

3. No fees are levied in the school, most of the girls being poor, and the school is reported to have done very well in the recent grant examination.

4. In these circumstances, I beg strongly to recommend that the municipal council's resolution to pay a monthly contribution of Rs. 10 to the school be sanctioned. The Inspector reports that, if this aid, the grant earned and the local subscriptions, be not found sufficient to meet the cost of upkeep, the school will be closed and there will be

only one school for the whole town.

I have the honour to be,

Sir,

Your most obedient servant,

J. G. ...

Director of Public Instruction.
