The following business was transacted.

5. Read G.O. No. 1466 M. Mis. dated 6th

October 1899, regarding the recommendations.

made by the Sanitary Engineer in connection with the Kurnool Water-works with the remarks of the Chairman thereon.

The suggestions of the Sanitary Engineer in para 2 of his letter will be given effect as funds permit. But the Council does not deem it proper to insist upon the use of Taylor's self closing taps for house service on account of its excessive cost. Cheaper self closing taps may be substituted. The Council believes from experience that there is not as much waste of water as the Sanitary Engineer seems to think. The Government will be requested to empower the Municipal Secretary and the Water-works Overseer to exercise the powers of Police Officer under Clause 4 Section 282 of the Municipal Act.

NO. 417
Encl. 1

Municipal Councillors' Office,
Kurnool, 3rd November 1899.
Desp. 4th November 99

FROM
THE CHAIRMAN,
MUNICIPAL COUNCIL,
Kurnool.
CURRENT No. 2922m

TO
The Secretary to Government
Local and Municipal Department
Fort Saint George
(Through the Collector of Kurnool)

Sir,

With reference to the G.O. No 1466
M.Mis: dated 6th October 1899, I have
the honour to submit herewith an
extract from the Proceedings of a meeting
of the Municipal Councillors Kurnool
held on the 28th October 1899.

2. I may be permitted to add that
the Council has resolved to carry out
the suggestions of the Sanitary Engineer
as far as funds permit and it has
also noted that there is no wastage
of water to the extent pointed out by
the Sanitary Engineer. The Council thinks
that even the little wastage now going
on may be stopped by delegating the
powers

powers of the Police under section 282(4) of
the Act to the Municipal Secretary and
the Water-works overseer. Under the present
state of things if any private individual
washes his clothes in any of the public
fountains or otherwise causes any
wastage of water intimation has to
be given to a police officer who has
to be brought for taking hold of the
culprit. This takes a good deal of time
and in the meanwhile the culprit makes
himself scarce and the police assistance
becomes thus practically useless, whereas
if any of the Municipal subordinates had
power to take the necessary action him-
self the culprit may be taken hold of at
once. Not only for the purposes of stopping
the wastage of water but also for better
carrying on the rules under the Municipal
Act it seems necessary to invest a few
of the Municipal subordinates with
the powers of a Police Officer under
section 282(4) of the Act.

For instance, in the case of manure and
street sweepings which are stored up
in the several Municipal dust-bins
and depots and disposed of periodically
in public auction, the Kuruvus who
have gardens near the Canal and
the river side stealthily remove the
manure and by the time the matter
is reported to the Police and a Police
officer is brought, the Culprit has
either removed it altogether or
concealed it and it becomes difficult
afterwards to prove the theft. The
Council has therefore thought it
fit to recommend that the powers
of a police officer be delegated to
the Secretary of the Municipality
for the general carrying out of
the rules under this Act and to the
Water-works overseer in special
for the purpose of giving effect to
the rules relating to the Water-works
only.

I have therefore the honour to request that you will be pleased to obtain the sanction of the Government for delegating such powers to the Secretary and to the Water-works Overseer under clause 4 Section 282 of the Municipal Act.

I have the honour to be
 Sir,
 Your most obedient servant
 Udaya Prasad

Chairman

W. R. C. 20/10/99

Submitted to the Secretary, to direct Government, Local and Municipal Department, with the recommendation that the request of the Municipal Council may be complied with.
