Sir, I have the honor to bring to your
notice that Municipal Servants
Complain that they have no
provision whatever and requested
me to recommend the introduction
of Provident Fund as is done
in the case of Local Fund servants.
I have therefore the honor to
request that you will consider
the question and dispose off
the subject, as you consider best.

I think in my humble opinion,
 it is an encouragement to the
 Servants and the Municipality
 will also have a hold as security
 on each Municipal servant as
 something will be collected from
 the salary of each servant
 every month.

I have the honor to be
 Sir,

Your most obedt servant,

J. Dargatz

2. The proposal, however well
calculated to render Municipal
service more attractive, would involve
an annual allotment of Rs 111.12.00
towards bonuses for the staff,
and a certain contingent expendi-
ture. The proposal seems to have
emanated from the Chairman
alone, and there is nothing in his
letter to show that he placed it
before the Council, or obtained its
assent to a permanent allocation
of, as the Divisional Officer estimates,
Rs 120 a year. In my opinion
the consent of the Council should
first be obtained.

I support the Municipal
Chairman's suggestion.
The Municipality will
have probably to
incur an additional
expenditure of 120 Rs
a year, in the shape
of bonus, & I think
can afford it. As
the Chairman remarks
it will certainly be
an encouragement
