Forwarded.

By Officer

I have the honor to bring to the notice
of Government that in this town there exist
several shops dealing in Kerosine oil both
wholesale and retail and also the houses
where fireworks and other explosives are
stored and sold. These are a source of
great danger to the public if not properly
protected and the Council have thought it
fit, at the suggestion of the Secretary, to
bring them under the control of the Municipality
under section 188 of the Act by issuing licenses
on payment of fees on certain conditions
ensuring

20
27.11.99

ensuring safety viz. that the houses where
 out they are stored or sold should be 50 yards
 apart from the surrounding inhabited
 houses and that they should be fire proof
 Char and have resolved to levy fees at the rates
 given below -

Kerosine oil shops are classified as following
 based upon the extent of business carried on.
 1st class shops wholesale on a larger
 scale like messrs. Best and Co. } No. 12/-
 2nd class shops wholesale on a smaller scale } 6/-
 3rd class shops retail } 1/-

3. With regard to the places where fireworks
 and other explosives are stored the license
 fee will be levied at the uniform rate of Rs. 2/-
 per annum irrespective of the business.

I beg also to submit herewith copy of the
 Council's resolution no. 6 dated 20 June 1899
 approving of the levy of fees and the rates
 and request that the Government will be
 pleased to accord their sanction as
 required by section 267 (1) of the Act.

Forwarded
 2. With his letter no. 883 dated 24.6.99
 the Vice Chairman Municipal Council
 Bulary forwarded a resolution of
 Municipal Council dated 20th idem
 requesting sanction for the levying
 of fees for the storage of Kerosine
 oil &c with reference to the extent
 of the business carried on. His
 attention was drawn to the remarks
 of Government in L.O. no. 710 M.,
 Lris: dated 14.5.99 that the principle
 of differentiation in the case of
 places used for the storage of Kerosine
 oil, should be the extent of the
 place occupied and not the quantity
 of oil stored. A resolution of the
 Council dated 31.10.99 modifying
 the original resolution as far as
 regards the storage of Kerosine oil
 has now been received and is
 herewith submitted for the approval
 of Government.
