Sir,

The Collector, Cuddapah.

In continuation of this office
 letter No. 4196 I have the honor to
 c 22.4.99

inform you that, during the year
 1898-99, the expenditure under Hospitals
 and dispensaries exceeded the
 budget estimate for the year and
 I gave a full report, in the letter above
 quoted, of the Causes that led to
 the extra expenditure and also point
 out that the whole of that related
 to the expenditure actually incurred
 and

Kind to be paid immediately. The
Municipal Council provided for
the amount in the revised budget
for the year 1898-99, but the Govern-
ment were pleased to disallow
the increase in the revised budget.
consequently the year 1898-99 began
with about Rs 3450. worth of bills out-
standing against the Hospitals and
dispensaries. I may once again
point out that this amount is
the accumulated arrears of the
previous two or three years. Most
of the bills then outstanding had
to be urgently paid and were
partly paid and the allotment
for the Hospitals and dispensaries
has already been expended.
The Municipal Council considered

Vice Para 29/30

the question in detail and raised
the allotment under hospitals
and dispensaries by the amount
of arrear bills actually outstand-
ing on the day and that that the
increase should be met by
appropriation from the general
balance, sanction of Govern-
ment thereto being obtained.

I have the honor to request
the sanction of the Government
for this increase (Rs 3450) in allot-
ment under Hospitals and dis-
pensaries payable from the
General balance.

Through

The Collector,

Sir,

I have the honor to submit
the following report Called for
in para 2 of the G.O. reviewing
the Municipal Budget for 1899-1900

The Collector in para 2 of his
endorsement on the Budget,
remarks that the expenditure
under "Hospitals and dispensaries"
is nearly doubled and it is

explained as follows:-

The actual expenditure incurred during 1898.99 including the bills outstanding amounted to Rs 2532 which is Rs 1332 over the budget allotment. But to this is added the amount of arrears bills outstanding against the Municipality of expenditure incurred during the years 1896.97 and 1897.98 to the extent of Rs 1331 so that the excess over the allotment in 1898.99 together with the arrears came to be Rs 2663 and the figure noted in the revised estimate is Rs 2630.

Similarly under "Diet Charges" the excess over the Budget allotment noted in the revised estimate includes the accumulated arrears of the previous years to the extent of Rs 296 so that the actual excess over the allotment during the year was only about Rs 224.

Under "Sundries + Contingencies"

the excess over the allotment in the revised estimate is Rs 130 of which the arrears in the beginning of the year was Rs 108 so that the total excess under "Hospitals and Dispensaries" in all the three heads amount Rs 3280.

The District Medical and Sanitary Officer in his letter No $\frac{39}{9.3.99}$ explains the reasons in consequence of which excess expenditure was incurred. His letter was placed before the Council at the meeting held on 15.4.99 and they approved of the reasons given therein.

I have therefore the honour to point out that this amount is actually due from the Municipality for expenditure actually incurred and to be paid for immediately.

I have the honour to be,
Yours most Obediently
