Sir,

In resubmitting herewith your N.R.C. No. 2318 of 97 dtd 25. 11. 97, I have the honour to report for your information that I have minutely - Scrutinized the School Registers, the monthly returns and the letter books regularly and systematically maintained by the teacher for the period of 31 years he was in service in one and the same school without any break whatever. There is nothing in the above records to show that he had ever taken any leave other than casual during the whole of this period. If necessary, the records may be sent for and scrutinized by you or the President Taluk Board. Under these circumstances, I strongly recommend that the teacher be

favoured

favoured with full gratuity admissible
by rules. I am very much pleased,
with the excellent state of records maintained
by him for such a long period.
