LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper:—

Proceedings of the District Board, Kistna, passed at a meeting held at Bezvada on Saturday the 17th September 1898, at 7-30 A.M.

* * * * *

210. Read memorandum of the President, District Board, Kistna, dated 1st September 1898, suggesting that a resolution of the District Board may be taken on the subject of prohibiting the payment of subscription towards the Provident Fund Institution by the four classes of members (a), (b), (c) and (d) of Rule 3 of Provident Fund Rules.

Resolution.—The Board considers that salary-result schoolmasters should not be allowed to contribute to the Provident Fund, and requests the President to move the Government to correct the Provident Fund Rule 3 into conformity with the Tanjore rule, which it was this Board's intention to adopt in its entirety when it passed its resolution, dated 13th June 1891, No. 28.

ENCLOSURE.

Memorandum.

It is to be observed that in G.O., No. 1675 L., dated 7th July 1890, subscription was made compulsory on all servants except five classes, members of which were not permitted to subscribe. In the Kistna rules, however, G.O., No. 454 L., dated 20th February 1892, the rule has been printed somewhat differently, so as to make it appear that only those entitled to pension were prohibited from subscribing and the matter left optional for the other four classes. But in resolution No. 28 of the 13th June 1891, the Tanjore rule, as it stands, was adopted, and I see no orders in the file explaining why the rule was modified.

The difference between the two sets of rules may be merely a printer's error, but it is important, and it is possible enough that, if the four classes (a), (b), (c) and (d) of rule 3 are allowed to subscribe, the charge on the district fund will be much heavier than the board contemplated when adopting the rules. It is also to be noted that most of the members of these four classes are subordinate to Taluk Boards, and it is hard to see why the district fund should be burdened with charges on account of officers under other boards.

A resolution of the District Board should be taken on this question.

(Signed) R. MORRIS,
President.

Ref. on C. No. 997-D.B.

Forwarded to Government, Local and Municipal Department, Madras, with a copy of the memorandum read above, for favour of orders. The difference consists in this, that while in the Tanjore rules (G.O., No. 1675 L., dated 7th July 1890) the words "who shall not be permitted to contribute to the fund" are on a separate line and

clearly not restricted in their reference to clause (e), they are printed in the Kistna rules as a continuation of the words in clause (e) "those entitled to pension from Government" so as to apparently apply to this class of servants alone and not to the previous four classes.

(Signed) R. MORRIS,
President.

ORDER—No. 7 L., dated 3rd January 1898

The rules for the working of the Local Fund Provident Institution in the Kistna district confirmed in G.O., No. 454 L., dated 20th February 1892, having been superseded by the revised general rules issued with G.O., No. 623 L., dated 31st March 1898, the former are no longer in force. As, however, the words "who shall not be permitted to contribute to the fund" appearing in No. 3 of the rules published under the latter order are printed therein in continuation of clause (e) instead of in a separate line, the following erratum will now be published in the Fort St. George and District Gazettes so as to make it clear that not only the class of servants referred to in clause (e), but also those referred to in clauses (a) to (d) shall not be permitted to contribute to the fund:—

Rules for the working of L.F. Provident Institutions

Local and Municipal Department.

C. No. 3061 L. of 4th Nov. 1898, from the Presd. Distt. Board, Kistna.

FOR ORDERS:

The District Board of Kistna requests that the words "who shall not be permitted to contribute to the fund" appearing at the end of No.3 of the rules for the Local Fund Provident Institution, Kistna District, and printed as a continuation of Clause (e) of the rules in G.O. No.454 L., dated 20th February 1892 may be printed in a separate line as in the rules relating to the Provident Institution, Tanjore District, approved in G.O. No.1675L dated 7th July 1890. In support of this request, he says that while from the Tanjore rules, it is clear that the classes of servants referred to in clauses (a) to (e) shall not be permitted to contribute to the fund, the Kistna rules lead one to suppose that the restriction applies only to the class of servants specified in clause (e) and not to those falling under the preceding four clauses, which was certainly not the intention of the Board, since it had resolved to adopt the Tanjore rules in their entirety.

2. The printing of the words in question

question in continuation of clause (e) in the Kistna rules appears to be merely an inadvertence caused by the way in which the draft rules submitted by the President with his letter disposed of in G.O. No. 2374 L, dated 1st October 1891 had been written, and the error has crept into the rules subsequently sanctioned for Anantapur, Kurnool, Madura, Tinnevely and South Canara and likewise in the revised general rules for all the districts in the Presidency issued with G.O. No. 623 L, dated 31st March 1898 in supersession of the rules formerly issued for the working of the Provident Institutions in certain districts, including Kistna. It is therefore submitted that as there is to be no material alteration in the rules, no formal notification is necessary in this matter, and that it will be sufficient if an erratum is issued to all concerned and published in the Fort Saint George and District Gazettes.

3. The accompanying draft order is submitted for approval:-
