SIR,

in No 2434 L.B.
22-12-98

In continuation of my letter No 6562 dated the 20th of December 1898 I have the honor to forward, for the orders of Government, copy of a letter received from the President, District Board, Cuddapah expressing his inability to submit his Local Fund Budget Estimate for next year earlier than the 15th January next.

2. The District Boards of Krishna, Malabar, Godavari, and Madras have since sent in their

their estimates.

I have the honor to be

Sir

Your most obedient servant.

Assistant Accountant General.

for Accountant General.

Copy of the letter N^o 1036 of 22^d December
1898 from the President, District Board,
Cuddapah to the Accountant General,
Madras.

With reference to your letter N^o 6201
dated 7th December 1898, I have the honor
to state that I regret to have to inform
you that it is quite impossible. My
Budget meeting is not till 7th January
1899. I only received my Taluk
Board Budgets a few days ago.
The reason for these delays is that
the whole establishment has been
paralyzed for years. I recently have had
to dismiss both the Engineer's Head
Accountant and my own Head
clerk. This made the preparation
of the Engineer's budget a matter of
difficulty. that made all the Taluk
Boards late, and it will be perfectly
impossible to submit my budget before
15th January. I trust that after the cleaning
the office has been subjected to, this will
be last year in which we shall have

to

to ask your indulgence in this fashion

PRESIDENT,

To

The
~~CHIEF~~ SECRETARY TO GOVT.,
LOCAL FUND DEPARTMENT,
FORT SAINT GEORGE.

Sir,

With reference to your telegram of the 24th requiring me to send my District Board budget figures to the Accountant General in anticipation of the Board's sanction, I have the honor to state with regret that it is not possible as my budget figures are not known. My office who are working out the budget during these holidays, have just worked out the figures that result from giving all my Talook Boards

and all departments all they ask
for. This closes the budget with a
minus balance of many thousands.
It will take me 3 or 4 days ^{hard}
work to strike out works and
bring solvency + order out of the
present chaos. The delay is much
regretted, but as I have had to
dismiss both my own Head Clerk
and the Engineer's Head Accountant
there is no one on whom the blame
can be laid. I can only express
regret for the delay + hope that
in future years we may be in
better working order.

I have the honor to be

Sirs

Yours most respectfully

G. A. Kharasch
