SUBJECT.

Note
In its resolution of the 19th June 1893 the District Board of Bellary proposed to contribute for pension on behalf of Local Fund midwives, among others, but the proposal was negatived by Government as the Knitble ^{Dr}

Pensionary Contribution
B
Requesting that hospital Compounders and midwives may also be included among the classes of servants for whom the Local Boards are now paying Pensionary Contribution.

Sir Henry Stokes considered that midwives and salary receipt school-masters should be struck out. In the circumstances now stated, ^{however} it is submitted that midwives may now be included in the Pensionary Scheme. Some of the other Boards are already contributing for pension on behalf of compounders. Please see for example, G.O. No 1508 & 3 of 20-8-96 (Flagged C)

CURRENT No. 3037

To

THE CHIEF SECRETARY TO GOVERNMENT,
LOCAL AND MUNICIPAL DEPARTMENT,
MADRAS.

SIR,

I have the honour to state that the rules framed for the working of Local Fund Provident institutions and issued with G.O. Nos. 623 and 624 dated 31st March 1898 were published in the District Gazette in June last. From the wording of the notification prefixed to the rules it would appear that the adoption of the Scheme is compulsory in all Districts and that the rules come into force three months after their publication in the District Gazette.

2. Under rule 3 of these rules, Subscription to the Provident

Fund is compulsory only in the case of the marginally named Officers and servants of this District Board, as

the Local Board in this district, as named Officers and servants of this District Board, as offices they hold were not made pensionable under the Pension

contribution

Local Fund Engineer
Local Fund Supervisor
Hospital Compounders
do. Midwives.

These are servants of Taluk Boards.

Contribution Scheme Sanctioned for this District in
 G.O. No. 2373 L dated 25.10.93. Of these both the Local
 Fund Engineer and the Supervisor are above forty years
 of age. Of the 14 compounders and the 13 midwives in service,
 7 of the former and 6 of the latter alone come under the rules,
 the others being 40 years of age and upwards or drawing pay
 under A to 10.

3. Thus it will be seen that the adoption of the scheme
 is beneficial only to the above 13 servants. The maintenance
 of the registers as prescribed by the rules will certainly
 increase the work of the department unnecessarily and
 it seems to me to be more simple to have one system
 (viz. the pensionary contribution system) for all local
 fund servants.

4. In the above circumstances, I have the honour to
 submit for the consideration of Government whether it
 will not be advisable to extend the pensionary contribu-
 tion Scheme to the appointments of compounders and
 midwives who are in no way inferior to vaccinators.

I have the honour to be,
 Sir,
 Your most obedient servant,

Shamshur
