Note. In para. 4 of G.O. No. 1436 dated 10th August 1898 (flagged E), the President was requested to explain why the sum of Rs 35,520 provided by Government in the revised estimate for 1897-98 as a contribution to Provincial Funds on account of famine relief works was not paid within the year. It now appears that the District Board had only an available balance of Rs 29,690 and that the payment of Rs 35,520 was not therefore possible. As, however, under G.O. No. 1220 Financial

dated 13th December 1898 (flagged B) the contribution payable has been reduced to Rs 4000 and the Accountant General directed to recover it from the District Board, no action is now called for.
