SUBJECT.

note attention is invited to the
fact that in London City the public
examines are allowed a carriage
allowance of £20 a month. This
provision seems to be smaller (7
inspectors for 8 divisions of the City) &
thus ^{duty} much lighter than those of the
municipalities whose applications for emergency
allowance has been refused in the past.

Stating that the Govt. does
not see any reason to
reconsider the order already
passed regarding the grant
of emergency allowances to
the mowers on public duty
in the various municipalities

From the Collector and District Magistrate, North Arcot, to the Secretary to Government, Local and Municipal Department, R.C.No.2208/P of 1899, dated 27th May 1899:—

With reference to G.O.No.573 dated 5th May 1899, and G.O.No.652, dated 15th May 1899, of the Financial Department, I have the honour to forward herewith an extract from Miss Bleaney's letter, dated 23rd May 1899 and to request that you will be so good as to move Government as a special case to sanction the grant of conveyance allowances actually incurred up to the date of the G.O.by nurses Miss Bleaney, Miss Hawdon, and Mrs.Turner. The pay of the nurses is small and it seems to me very hard to expect them to hire a carriage at their own expense. They cannot do their inspection work on foot.

Endorsement of the Local and Municipal Department, No.121, dated 5th June 1899.
