I am directed to acknowledge the receipt of your
letter No.B/C-2966 dated 23rd February 1899, stating that,
under the orders of the Government of Madras, the Southern
Maharatta Railway Company have constructed a shed near the
Railway Station at Bellary for plague inspection purposes.

2. It is pointed out that the Railway Company ⁱⁿ con-
structing the shed have encroached on certain cantonment land
for the purpose which is contrary to existing rules but as

* A.R.I., Volume II, Sectn.xvii para 3 } there is no objection from a
(Provisional Issue). Military point of view to the erection of the shed in ques-

tion, it is recommended that sanction be accorded to the
occupation of the land till such time as the plague operations
are no longer necessary.

3. In reply I am to state that the Government of India
sanction the temporary occupation of the land in question
for the purpose indicated on the understanding that it is
relinquished by the Railway authorities when it is no longer
required for a shed for plague inspection purposes.
