BELLARY COLLECTOR'S OFFICE.

Dated 19-6-1899.

Ref. no. 1932.P

FROM E. A. Elwin Esquire,
Ag COLLECTOR OF
BELLARY.

To

THE Secretary to Government,
Local and Municipal Department.
Through the Surgeon-General.

SIR,

Adverting to para 4 of the proceedings
of Government Ref on c no. 4807
18.5.99 directing
me to scrutinize the plague establishments
closely and see whether reductions cannot
be made, I have the honour to suggest
the withdrawal of one hospital assistant
from each of the ^{railway} ~~road~~ frontier inspection
stations at Hospet and Tungabhadra.

2. The medical officer at Hospet agrees
with me that one of his 3 hospital assistants
may be withdrawn but the medical officer
at Tungabhadra, though he has 4 subordi-
nates of this class, says that he is unable

to spare one, "as the executive work is heavy, besides provision has to be made for sickness, leave & among them dead ~~any~~ contingencies which may arise regarding plague." During the past 3 weeks there have been in all but 3 admissions into the detention camp at Tungabhadra and the number of trains to be inspected is about the same as at Hospet: it is not clear how work can be found for 4 hospital assistants at the former place.

3. The establishments at the 2 stations, excluding police and menials, are at present as follows:-

<u>Hospet.</u>	<u>Tungabhadra</u>
1 medical officer in charge.	1 medical officer in charge.
1 assistant surgeon.	1 assistant surgeon.
2 nurses.	2 nurses
3 hospital assistants	4 hospital assistants
2 clerks	2 clerks.

and I submit that they can safely be reduced each by one hospital assistant.

I have the honour to be
 your most ^{dev.} obedient servant
