with the plague. Though there are no plague cases in the district at
present the epidemic has not completely disappeared and the Collector
must guard against a recrudescence with the setting in of the South --
West monsoon. This means considerable additional correspondence work in
the Collector's office as the observation and inspection staff must be
maintained. The supervision of the working of the pass port rules has
also been transferred to the Collector from the Medical and Sanitary -
Officer. In these circumstances, the Board supports the Collector's
recommendation and submits it for the sanction of His Government.

2. The charge can be met from the provision of Rs. 10,000 made in
the Civil Budget Estimate for the current year under "B A-Land Revenue
Charges of District Administration-General Establishments. Plague ---

3. The Board notes that the Collector's proposals to dispense -
with the services of the temporary bands, should be at any time find --
