Car Festival at Mantsala.

Ordering the publication of a notification prohibiting pilgrimage from plague-infected parts to the — in the Adoni taluk of the Bellary district.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper:—

From E. A. ELWIN, Esq., Acting Collector of Bellary, to the Secretary to Government, Local and Municipal Department (through the Sanitary Commissioner for Madras), dated 19th June 1899, Ref. on C. No. 2103-P.

I have the honour to report that the annual car festival at Mantsala in the Adóni taluk of the Bellary district will be celebrated from 21st to 25th August next. On the last occasion pilgrims from the Bombay Presidency were forbidden to attend (G.O., Mis. No. 666 P., dated 11th June 1898). With a view to prevent the introduction of plague into this district, it is, I submit, necessary this year to prohibit pilgrimage from the Hyderabad State, the Lingasugur and some other districts of which are infected, as well as from the Bombay Presidency. There will not be any difficulty in preventing the ingress of pilgrims from the above, provided the Divisional officer, Adóni, to whom the arrangements may be entrusted, receives assistance from the police similar to what was given last year. I consider the festival to be a small one with reference to G.O., No. 651 P., dated 2nd May 1899, and the prohibition of the issue of railway tickets to persons suspected of intending to attend the festival from infected areas uncalled for.

2. There will, of course, be no interference with the performance by the villagers of any customary ceremonies that they may wish to perform in connection with the festival.

3. The usual statement and draft notification accompany.
