Copy of a communication No.229, dated 8th May 1899 from the Postmaster-General, Madras, to the Director General of the Post Office of India, Calcutta:-

I have the honour to bring to your notice that Mr. L de la Harpe Harpe, who is the Sub Assistant Colonial Surgeon to the Ceylon Government stationed at Ammapathnam for the examination of passengers to Ceylon from parts of India infected with plague, has been using ordinary postage stamps for official letters addressed to his official superior at Colombo and the Collector of Tanjore which are prepaid at official rates and superscribed on Her Majesty's service under his ~~frank~~ frank. I am informed that this official of the Ceylon Government is acting on instructions received by him from the Honorable the Principal Collector of Customs, Colombo, and that he has been recognized by the Madras Government as a Ceylon official posted to India for plague purposes.

2. As it seems to be probable that your sanction has been obtained by the Ceylon authorities to use ordinary stamps for official correspondence at the ~~London~~ Indian official rates under the frank of the officer above referred to, I have the honor to enquire whether the procedure has received your approval and if not, whether you have any objection to the continuance of the practice.
