NOTE FOR THE H. M.

I Submit that the course proposed in draft S.O. is not satisfactory under (Ord. No. 1716) Reg. 1716 persons arriving from a notified area are bound to take out a passport, if the proposed orders are issued. The inspection officers will have a choice of issuing or not which they will work for their own ends, I think it would be better to either to remove these 4 talukas from area notified or else to maintain Regulations against arrivals from there, as only 4 talukas are concerned but much inconvenience would be caused by the latter course.

Very well.
Do so.

SUBJECT.

Requesting to inform whether the tracts in the Sharwar district referred to in the Bombay Plague Commissioners' letter will be formally excluded from the list of plague infected areas.

Plague
 Plague agent.
 Is there any procedure for dropping S.O. 60-99 for one year.
 Like the Bombay Pres. of Mysore has been declared infected this is not actually so. now & then the Mysore Pres. contains places to the free from plague & there is no actual infection. S.O. 60-99 is not a particular instruction. There is no exact precedent to the case now in question.

Order No. P. Mis. 7

The Collector will be informed that it is not the intention of Govt. to exclude the four taluks of the Sharwar Dist. from the list of infected places published from time to time in the Port of Seaports Gazette, the whole of the Bombay Presidency including Sind will continue to be shown in the list. The Collector should, however, instruct the officers in charge of road frontier & Aspet R. Inspection Stations, to treat, as a special case, arrivals from those places as coming from a non-infected area.
