Proceedings of the Plague Commissioner.

READ—

The following paper from the Collector of Bellary dated 23rd March 1899:—

At Hospet we still have Pereira plus an assistant surgeon. This seems to me unnecessary. Pereira has himself told me that he could manage easily with an energetic - apothecary or hospital assistant instead of the assistant surgeon, who is, I believe, one of these pensioners and not of great use.

Proceedings No. 1061 dated 14th April 1899

Copy forwarded to the Surgeon - General for favour of necessary action.

J. C. Ho. B.

Plague Commissioner.

To
The Surgeon-General,
with the Government of Madras.
