To

The Collector of

Tanjore

Sir,

With reference to your No. $\frac{835}{J.R.}$ of 88

dated 3rd March 1898, I have the honour

to state that the 2 Plague Inspectors
were appointed during the Mahanavakham

festival under G.O. No: 111 L dated
19th January 1897, the system of appointing
passport issuing officers, not being then

in vogue: No definite principle was

laid down in the matter of fixing the

Salary of these hands. It was thought
in the circumstance that Rs 12 would
suffice for the purpose. These appointments

were duly communicated to your office -

Vide this office No: 123 dated 9th February 97

the Sanitary Commission in this
Office No. 132 dated 12th February 1887.

2. The increasing nature of the work
that the Passport office has to turn
out in such a large station as this,
he having to inspect 8 trains daily,
and the need there is for the inspection
of Choultries, Chattrams, and other
places to which passengers generally
resort without intimation, necessitate
the retention of the 2 Plague Inspectors
so that the detection of arrivals from
plague infected areas may be carried
on as satisfactorily as can be desired.

I have to
