Sir,

With reference to Plague

Plague Clerk

Commissioner's Proceedings No 3040 dated
19th Instant, I have the honor to state
that the construction of a larger number of sheds
than was originally intended and the keeping
of necessary stores & there, has created more work
to the watchman and necessitated the small
increase of one rupee. The camp being outside
the town and demand for labourers being
great, it is also difficult to get a watchman
for less wages.
