NOTE FOR THE Secretary.

In March last a number of railway stations in the North Arcot and certain other districts was notified for the purpose of the passport rules under No. 17 of the Original Mufassal and No. 22 of the City of Madras Plague Regulations. Under this notification all arrivals from the stations mentioned therein were bound to obtain passports binding themselves to appear for inspection during the next ten days. As a considerable decrease of plague in the districts concerned, the list of the notified Stations was greatly reduced by Notifn. in G.O. No. 934-P., dated 17th June 1899. Sholinghur is among the stations excluded from the list

at the mid. It appears to be this reduction in the number of notified Stations which the Sanitary Commr. considers premature.

The Collector may, perhaps, be asked to report whether the passports will should be revived in respect of any Stations from which they have recently been withdrawn. & whether if the passports Rules had been in force they would have been effective in keeping out the cases now reported.

a copy of telegram may be sent to Coll. for his early remarks. the may be asked
