NORTH ARCOT, COLLECTOR'S OFFICE,

Chittoor. dated 5th July 1899

Re No. 2426 of 1899.

FROM

R. N. Campbell Esq
Collector and District Magistrate,
North Arcot,

TO

The Secretary to Government.
Local and Municipal Department.
Fort Saint George
Madras.

SIR,

With reference to para 5 of
G.O. no. 878 P. dated 12th June
1899, I have the honor to state
that the circles that are being
worked round Rajpet are
not preventive circles of five
miles diameter but observation
circles of 10 miles diameter.
In his proceedings no. 104,
dated 12th January 1899, the
Plague Commissioner asked my
predecessor to open only observa-
tion circles round Kellere and
Arcot and he has approved
of the circles formed by the
Collector

Collector - vide Plague Commissioners
Proceedings No 292, dated 31st
21 January 1899.

2. There are at present 3 circles
round Ranipet. The cost of
these amounts to Rs 385 as
detailed below:-

1. Plague supervisor on Rs 80 } Rs
plus Rs 30 fixed travelling
allowance and Rs 15
horse allowance. } 125

3 Plague Inspectors on Rs 45 }
plus Rs 15 fixed travelling
allowance and Rs 15 horse
allowance each. } 225.

5 peons on Rs 7 each, two
for the Plague supervisor
and three for the Plague
Inspectors at one peon
each. } 35.

Total - 385.

The Supervisor is Mr. Locke
an Eurasian gentleman recommended
by the Sanitary Commission.
The three Plague Inspectors are
Revenue Inspectors trained by
the District Medical and Sanitary
officer.

3. The practical results obtained
by the institution of these circles
are not very great. The supervisor
has

has been very useful as he
devoted most of his time
to the Ranipet union and
brought to light many cases of
plague there. No cases have
been found out by the Plague
Inspectors in villages. They have,
however, attended readily on
plague cases reported by the
village agencies and have
exercised a useful control
over the working of the passport
rules in the areas entrusted to their
charge. These circles may I think
be abolished for the present
as plague has subsided in Ranipet.

I have the honor to be,
Sir,

Your most obedient servant
