To

L. E. Buckley Esq.
Plague Commissioner
Port Madras.

Sir,

Having heard there is a vacancy in your Office, I most respectfully beg to apply for the post. I have passed the B.A. Degree Examination in the Latin Division. Besides being well acquainted with French and Canarese, I have made a grammatical study of Persian and Hindustani and am just now engaged in learning up Tamil. My age is twenty-two, having had to manage my father's Coffee Estate for some months, I have also some experience of practical life and am partly familiar with Book-keeping and Commercial Correspondence. This is a specimen of my handwriting. I assure Sir, I will endeavour my best to give you satisfaction, I will esteem it the greatest favour if my application will happily receive your approval. Testimonials of qualification are herewith enclosed.

My address.

I beg to remain,

Sir,
Your most obedient Servant,
R. M. Rebello.

Copies of Testimonials of Raymond Rebello.

This is to certify that Raymond Rebello was a pupil of this College for several years and passed his B.A. Degree Examination in Latin Division in 1897. He also studied French, and has a fair knowledge of the language. His conduct and application in the College was very satisfactory. As he is now seeking employment, I shall be glad to hear of his success.

I have the pleasure to certify that Mr. Raymond Rebello is an effective member of the Bishop's Choir in this town. Besides having a good voice and a good manner of singing, he can read music with facility. In my opinion he will give satisfaction to those who may require his services for a choir or musical training.

Sd/ J. B. Polise S.J.

Director of The Bishop's Choir

I have great pleasure in certifying that Mr. Raymond
Rebello is a young man of good training and excellent
conduct. He has passed the B.A. Degree examination
in Latin and knows French and music. He comes of
a good family and will doubtless do credit to any
appointment he may succeed in getting.

Dewan Bahadur, and Penoionid
Deputy Collector and Magistrate.

Mr. Raymond Rebello belongs to one of the most res-
pectable families of our Community and is personally known
to me. He is steady and a most promising youth. Unfor-
tunately he failed in his B.A. Examination and now
proceeds to Madras to secure a post and at the same
time to appear again for B.A. Examination as his
parents once very opulent are not now in a position
to maintain him in Madras. Mr. Rebello bears an
excellent character - very affable and good musician.
His going to Madras is really regretted by all that
know him.

Rao Sahib.

I know Mr. R. Rebello very well. He is a young man
of high abilities and possesses an excellent character. He
is very proficient in music and takes great interest in
it. He has special aptitude for languages and knows
French and Latin fairly. He deserves to get on well in
the world and I wish he will do so.
