NOTE FOR THE Secy of Fort, 20th Sept

2 April last, the Coll. of Cuddapah wrote to the Secy. Comd. that he no longer wanted a special medical officer. But the S.C. wrote back to say that he must be kept and added "At the present time, it is desirable that our frontier districts should have a man to remain at headquarters in case of an outbreak which may call out the S.M. & S." Since this was written, the road frontier stations in Cuddapah have been withdrawn, & the addl medical officers attached to Bellary, Anantapur & N. Arc have been all withdrawn. There seems no necessity for keeping one now in Cuddapah.

NOTE FOR THE CHIEF SECRETARY.

D. Taylor is not a
 Doctor recruited from
 England. He was specially
 entertained locally for
 plague work by the S. G.,
 under the powers conferred
 in G.O. 1494 Public d
 16. 11. 97. It seems
 unnecessary therefore that
 his services should be
 placed at the disposal
 of the Public. All that
 appears to be required
 is to tell the S. G. that
 his ^{own} medical office is now
 required in Andrapur. The
 S. G. will then take the
 necessary steps to reduce
 establishment.

 Recently the Collector of Cudd
 reported having taken certain
 cautionary measures in consequence
 of the existence of plague in the
 town. The Coll^r was informed
 plague had been existing in the
 for months past, that there
 therefore no fear of people from
 that place running to
 Madanapalle and that the con
 tinuance of the precautionary
 measures might even be
 found to be unnecessary.
