3rd July 1899

FROM,

R. Morris

Esqr.,

COLLECTOR, KISTNA DISTRICT.

TO,

The Secretary to Government,

Local & Municipal Department.

FORT SAINT GEORGE.

SIR,

In 1897 the Plague inspection station at Kondapalli was temporarily transferred to Belvada, under Government order dated 25th June 1897 No 1481 M. Local and Municipal, and four sheds for the reception of persons detained by the Medical Officer were erected near the Railway Station. Two of these were entirely wrecked by a recent storm, and the others are reported to require very considerable repairs to get them for habitation. The Chairman of the Municipal Council requests

instructions whether the sheds should
be recreated.

2. I do not see the necessity for
these sheds. Not a single passenger
has been detained there, and if Plague
approached the frontier the observation
camp at Kondapalli would be
reestablished and passengers detained
there. Before however telling the Chairman
that the sheds at Bexvada may be
dismantled, I solicit the instructions
of the Government on the point.

I have the honor to be,
Sir,

Your most obedient servant

P. Nagesa Rao
