Copy of letter Ref.A.on I.Cur.No.102 of '98 dated 27th.August 1898 from the Deputy Collector Sermadevi to the Collector of Tinnevely.

I have the honour to submit the following case for orders.

The natham where the Panchamas of Kadamboduvalvu Village, Nanguneri Taluk live, is bounded on three sides by wet lands -- and on the south by patta dry lands. The only path for their going out of the natham especially to their ^{well}/marked B and to their burial ~~ground~~ ground marked C in the enclosed sketch in the south lies through patta dry lands Nos.32-M.N.38 A and B. The pattadars often shut the path and obstruct the poor low -- caste Panchamas going to their well and burial ground. The -- well appears to have been repaired from Local Funds for their use, though it is in patta land. It is therefore very necessary that a portion of patta lands should be set apart for the path and for this purpose, 25 cents are required. According to the market value of the adjacent lands the 25 cents are estimated to be worth Rs 12-8/- and this amount the Panchamas have paid -- and it is credited into the Treasury and kept in deposit. The owners of the lands are not willing to part with them. They have therefore to be acquired under Act I of 1894. A draft -- declaration is submitted for the purpose with the connected -- papers.
