Ref. No. 4802 989.

The Collector of South Arcot
is requested to report after
consulting the Collector of North Arcot
and Chingleput whether it is
necessary to continue to maintain
the By Inspection Station at
Tiruvannamalai.

2. It is not understood why
a portion of the staff attached to
this station is shown under
Provincial and the remainder
under Municipal. Under No.
479 in dy 4 479, it would
seem that the whole staff should
be shown under Provincial.

3. The Collector is requested
to explain state whether the charges
for inspecting vessels at Cuddalore
port should be treated as charges
needed for 'General' or 'Local' Control.

From

The Collector
of South Arcot.

If the Inspector of the Staff is State necessary

No. 12

DATED 18th May 1899.

FROM

L. M. Wynne Esq. I.C.S.

Acting COLLECTOR OF SOUTH ARCOT.

TO

THE SECRETARY TO GOVERNMENT,

Local Municipality DEPARTMENT,

MADRAS.

SIR,

I have the honour to acknowledge receipt of Government Ref. on. C. No. 4802 dated 11th May 1899. In the Establishment list for April a portion of the establishment at the inspection station at Tiruvanna-malai was shown under "municipal" as before receipt of Plague Commission. No. 1209 dated 3rd May 1899 the staff at the camp was considered a "municipal" charge.

2. Vessels are inspected at the Cuddalore port to prevent importation of infection from Calcutta and other infected parts but the charge should I think be treated as charges needed for local control inasmuch as

as there is no passenger traffic
to speak of and the inward goods
traffic is almost entirely local.

3. The report called for
in para 1 of the reference will be
submitted on receipt of replies
from the collectors of North Arcot
and Chingleput who have been
addressed on the subject.

I have the honour to be
Sir

Your most obedt servant
