SIR,

Enclosures.

Adverting to your Reference on No. 3294, dated 19th March 1899, regarding the complaint of Mr. A. Lushington against the conduct of the Medical Officer, Tadpatre, in having wrongly punched his ticket, I have the honour to forward herewith the explanation furnished by the Medical Officer. He says that as some cases of plague were shown in the weekly statement of plague cases, to have occurred in Kurnool and as persons from Kurnool take trains at Kurnool Road Station, he punched the ticket of Mr. Lushington, who came from Kurnool Road. However it is apparently a mistake on the part of the Medical Officer, as neither Kurnool Road.

Communicated to the Medical Officer Tadpatri Inspection Station for explanation. He will state the reason why the ticket of the person coming from Murmoal Road was plague punched, thus necessitating

the issue of a passport at Pambare.

It is understood that he is not using his discretion in detaining passengers for disinfection and is not fully aware of the rules with regard to the use of the Plague punch.

There had been many complaints against him with regard to the abuse of the Plague rules from Higher Authorities.

Dis. No. 3. Upper in 27.3.99.

To the Collector, Madras District.

Has the honor to state, that according to the statement showing Plague deaths, supplied to me by the Sanitary Commission, dated 25/3/99, shows that there were cases of Plague in Kurnool. There is no Railway Station at Kurnool, but Railway tickets are issued at Kurnool Road, to persons coming from Kurnool, and consequently, they were "Plague Punches", but on the receipt of the Proceedings of Plague Commissioner at a rate of 23/10/99, through your office & which arrived here on the 20th March 1899, it was ascertained that date.
