G.O.	No.	Department.	Date.

Letter no. Pg: 1882 dated Bangalore -
29th June 1899 from the Secretary to the Govern-
ment of Mysore, General and Revenue Departments,
to the First Assistant to the Resident in Mysore.

I am directed to invite reference to the
X in G.O. 794^P. Madras Government Notification no. 469 dated
29/5/99 the 30th May 1899, declaring the whole of the Mysore
Province to be infected with Plague, while only
a few villages, Unions and Municipalities are
declared to be so infected in the Madras Presi-
dency. The Plague Commissioner in Mysore has
brought to the notice of the Durbar that the
Districts of Kolar, Shimoga, Hassan and Chital-
drug have always been and are even now free
from Plague and that much inconvenience is
caused to the people of these Districts by their
inclusion in the list of infected areas by the Madras
Government.

2. I am accordingly to request the favor of
you moving the Resident to kindly address the
Madras Government in view to that Government
being

being pleased to declare as infected only
such places in the Mysore State as are from
time to time declared by the Barbar to be in-
fected, or if this is not feasible, to exclude
at least the four districts mentioned above, from
the list of infected areas.
