Offg. Secy. to the Govt. of India.

To

The Secretary to the Government of Madras,
Local and Municipal Department.

Home Department.
(Sanitary/plague)

Simla, the 4th July 1899.

Sir,

I am directed to invite a reference to the Notification of the Government of Madras, No. 531, dated the 20th June 1899, (a copy of which was forwarded with your letter No. 978 P. Miscellaneous, dated the 22nd idem), and to say that, as no cases of plague have been reported from the Wardha District of the Central Provinces and the Saran Darbhanga and Dacca Districts in Bengal since the dates

Wardha District ----- 31st March 1899.
Saran " ----- 27th April 1899.
Darbhanga " ----- 14th April 1899.
Dacca " ----- 10th April 1899.

noted in the margin
these districts
should not in the
opinion of the

Government of India have been included in the list of places which are declared to be infected with the disease. The execution of precautions against the spread of plague is rendered more difficult when they are directed against an unnecessarily wide area.

I have the honour to be,

Sir,

Your most obedient Servant,

A. H. L. Fraser.

Offg. Secretary to the Government of India.
