THE SECRETARY TO THE COMMISSIONER OF

Madras.

SIR,

In forwarding herewith
a passport issued at Perambore
under the Madras City Regulation,
I have the honor to invite your
attention to the form of declaration
and to state that, as it is, the
passport holder or his guardian
binds himself to appear or
to present ~~therein~~ the ^{person} ~~person~~
therein mentioned, before the
officer named in the
declaration: but should he

He commits an
offence if he
fails to report himself
to the officer before
whom he has
himself applied
move from the jurisdiction
of that officer and go to
another Division in Madras

or to the Infirmary before the
expiry of ten days the Contingency
is not provided for in the Declaration.
I would suggest therefore that
the concluding portion of the
form of Declaration be modified
as follows: —

" Before the Plague Inspector
of the Division or the Local
Authority of the place where
I may be for the time being "

Thence the home &c
in

Yours most respectfully
J. M. S. S. S.

C. No. 6273 of 89.

With reference to P. C. S. S. S.,
it is submitted that a person
to whom a passport is
issued binds himself to
appear for examination
before the Plague Inspector
of a certain Divⁿ, for 10
days, & it is his (the pass-
port-holder's) duty to ap-
pear accordingly. When
he sees that he cannot so
appear owing to the fact
that he is about to leave Madras
City, it is his business
to communicate the fact
to the inspecting Officer
who was observing him,
& if he intimates his intention
of changing his residence,
the inspecting Officer will
enter in the passport the
name of the Officer before
whom he should appear
for the remaining days,
& will communicate the
fact to the local authority
of the new place of destination
(vide City Regⁿ No 22 as
now altered.) The

Collector of Bellary in his letter disposed of in the L.O. now put up, suggested that the City Regⁿ as well as the declaration on the face of the passport might be amended, but in our reference to Govt, the regulation only was altered.

It seems that no alteration is called for in the declaration, because it is the duty of the passport holder to carry out what he bound himself to do, & if any untoward circumstances such as change of residence &c prevent him from carrying it out, he should find a way to liberate himself, lest he might be prosecuted for a breach of the Regⁿ. It is to his advantage, the Regⁿ was amended.

Attention is invited to the passport forms issued in the Mufassal. (Page 29(6) of the Plague rules.)

I think the Regulation is Lth without the insertion of Declaration to the

The form of declaration in the form sent by the Lth is - "I do hereby bind myself to appear before the Plague Inspector of where I may be for the time being"

The words underlined seem to cover all cases.
