SIR,

I have the honor to state that out of the Provision made in my budget for the Jalarpet Inspection Station that for 4 Hospital Assistants and 4 Inspectresses only has been transferred in G.O. No 520 Financial dated 17th instant to Provincial the rest being treated as Local. The entire charges including the Staff at the Camps and the Cost of their Construction and Maintenance are I Consider required in the general interests of the Presidency and therefore for General Control as defined in G.O. No 479 Financial dated 4th April 1899. For purely local purposes the Camps and their Staff are not necessary and such an enormous outlay would never have been dreamt of.

The Salem district does not benefit by the Inspection station and Camps which are an indispensable adjunct with amps more than other districts. The Case is, however, perhaps different with regard to our Road Frontier and Chauk Inspection stations. I think, therefore, and strongly urge that the entire expenditure of the Jalarpet Inspection Station including the Sheds should be met from Provincial Funds. Pending your orders I have directed that the bills should continue to be based from Local Funds.

SIR,

With reference to G.O. No 477 of the 15th instant I have the honor to state that in G.C No 520 Financial of the 17th April the Charges relating to 4 Inspectresses and 4 Hospital Assistants only out of the staff at Jalarpet were classified as Provincial, the rest being shown under Local. Being of opinion that the entire Charges Connected with the Inspection Station at Jalarpet should be borne by Provincial, I made a reference to the Plague Commissioner in my letter No 799 of the 27th April last, which a Copy is submitted. Pending receipt of orders thereon which are awaited the charges are being met from Local and the staff was shown in the Establishment list under the same head.

2. The retention of the Special Deputy Collector has been sanctioned up to the 15th July in G.O No 709 Mis, Revenue, dated 8th May 1899. I have explained the necessity for his retention in my letter read in that order. Since then, under the orders of the Board of Revenue Mr C. Gahan has been sent to Palghat for survey training and the Special Deputy Collector (Mr Rly T.V. Gopala-Sawmy Iyer Avergal) is in charge of the Nanakkal Division in addition - He cannot, therefore be dispensed with at present. Regarding the two clerks on Rs 20 shewn in the establishment list as working under him, their services are necessary as long as the passport rules are in force, and the number of infected areas and the Railway Stations to which the passport Rules are applica-ble remain unchanged; with the decrease of plague the number of passengers subject to the Passport Rules

704 P

arriving in this District is increasing, and consequently the number of intimations and passports. The following is the average daily number of passengers by road and by rail intimated since January last.

January — 154
February — 191
March — 239
April — 250
May up to the 18th instant ... } 297

3. I will consult the Special Plague Officer and Superintendent of Police as to the possibility of dispensing with a portion of the Special Police Force provided on account of plague. It can be materially diminished when that the larger towns and villages are again occupied.

4. Both ambulance staffs are considerably below their full strength and the second

is

is stationed at Krishnagiry ready for an outbreak in that Taluq, due to its proximity to the Kolar Gold Fields; I think, however, it would be better to select the best servants of both and form one ambulance staff and dispense altogether with the second.

I will report further in the matter after a reference to the Districtmedical and Sanitary Officers.

I have the honor Sir
Your most obedient Servant

SIR,

With reference to para 2 of memorandum Reference on C. No. 1128 P. of the 31st May 1899, I have the honor to report that the 2nd ambulance staff stationed at Krishnagiri has been dispensed with. As regards Police, 1 Inspector 3 Head Constables and 75 Constables are on duty of a permanent character and a no. of men have to be kept in reserve for temporary duties such as guarding plague patients and Contacts and preventing access to evacuated villages etc. According to the Superintendent's report

the no. of Constables on such temporary duty on the 15th June was 27. The Superintendent of Police states that there are 10 vacancies of Constables in the temporary Staff which he will not fill up for the present and that no further reduction is feasible. Considering that more than 88 Constables (the Sanctioned temporary Staff) are generally always on plague duty and that the District Reserve Force cannot meet any further demand which may suddenly arise as plague prevails in the Mysore villages close on our frontier, I agree with the Superintendent of Police and propose that it will be sufficient to keep open for the present the 10 vacancies in the temporary Staff referred to

I have the honor to be

DESPATCHED -8 JULY 1899

SALEM COLLECTOR'S OFFICE,

7th July 1899.

FROM

COLLECTOR AND DISTRICT MAGISTRATE,

Salem.

To

THE SECRETARY TO GOVERNMENT, Local and Municipal DEPARTMENT,

Madras.

SIR,

With reference to memorandum no. 1128 P. of the 27th ultimo, I have the honor to state that the services of the Special Plague officer (Captain French) and the Additional medical officer are necessary as long as plague exists in the villages in Mysore territory close on our borders and the observation circles and the frontier Stations are maintained. The former Supervises the working of the frontier Stations and the latter the observation and the ambulance staffs. The District medical and Sanitary officer and the Sub Collector cannot in addition to their ordinary duties efficiently Control and supervise the work of these Establishments. Besides at present there are several villages evacuated where

lisinfection is still going on. Captain Franck has to attend to this work. The climate of the Hosur Taluk is feverish and the presence of a competent Medical man is very necessary to satisfactorily distinguish cases of suspicious fever from plague. Such Suspicious cases frequently crop up here and there and it is not desirable to neglect them or we may have plague firmly established in a village before we know it. I must, therefore, request to be allowed to retain these two officers who, I consider, are indispensable as yet.

I have the honor to be,
Sir,
Your Most Obedient Servant

for Sd. Collector.
