note Evacuation implies that a Health & Contact camp are ready to receive the people turned out & where accommodation is not provided by the people themselves it will have to be provided by local bodies or Govt. There seems therefore no objection to the D.C.'s proposals made.

Ref. No. 40288/18-488/18/4

No charge need be made for materials supplied to persons having an income of less than Rs. 10 a month. The cost of such materials should be borne entirely from local funds. As regards other persons, a contribution not exceeding half the value of the materials is levied from the Provincial funds. The C.M.s. is requested to report the exact amount required on this account.

FROM

Robert B. Elegg Esq.,

Acting Collector and District Magistrate,

Salem,

TO

THE SECRETARY TO GOVERNMENT, Plague Commissioner

Department,

Mairas.

SIR,

I have the honour to report that the inhabitants of Hosur town and its suburbs when advised to evacuate for the most part, readily agreed, but they were unable to get locally the necessary hutting materials. It was therefore necessary to assist them and encourage evacuation, and Bamboo mats were obtained from Salem and distributed to those that needed them subject to the payment of cost price by those who could afford to do so. The following is an account of mats supplied to indigent persons and their value:—

Class of persons	No. of persons	No. of mats Supplied	Cost
1. Private individuals	378	1033 mats	576-12-0
2. Menial Servants of the Sub Collector's Office	9	47	26-7-0
3. Menial Servants of the Taluk Office	17	80	45-8-0
Carried over	404	1160	648-11-0

Class of persons	No. of persons	No. of mats supplied	Cost
Brought forward	404	1160	648-11-0
4. Police Constables	10	52	29-4-0
5. Salt peons	5	15	8-7-0
6. Union servants including Sweepers and scavengers	20	118	60-4-0
7. Other public servants of the grade of peons such as School peons, peons of the plague supervisors, doctors &c	11	34	19-2-0
	450	1379	765-12-0

The value of materials supplied to each person is less than Rs 5. I request that this expenditure may be approved and sanctioned. I have since ordered on the recommendation of the Sub Collector that Taluk gumastahs also be exempted from payment of the cost of materials which amounts to Rs 68.7.8 for 12 persons. This may also be sanctioned.

2. I request instructions as to whether the expenditure should be met from Provincial or Local Funds. The District Board should bear the cost as it has to provide accommodation for

for persons required to vacate buildings or ground under Regulations 4, 5 and 6 (vide Original Muzassat Regulation 2) and presumably also under Regulation 23. It has thus been relieved from the burden of providing accommodation for a large number of people which would have cost a considerable sum.

3 The following is a list of other servants of the Revenue, Police, Salt, Registration, Local Fund departments who have been supplied. Howrah is the Head quarters of the Taluk and these servants must necessarily remain there and do their work. I would suggest that no charge be made for the materials supplied to them and that in the case of Government servants paid from provincial funds the cost be borne by "provincial funds".
