Informing the Collector of Coimbatore that the daily reports from Tahsildars and tanahdars may be discontinued, but that the weekly — submitted by Chairmen of Municipal Councils should continue and that they should be sent through the District Medical and Sanitary Officer.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers :—

From C. H. MOUNSEY, Esq., Acting Collector of the Coimbatore District, to the Secretary to Government, Local and Municipal Department, dated 20th June 1899, Ref. on C. No. 822-P.

The Government in paragraph 3 of its order No. 396 P., dated 27th April 1898, directed that as a precautionary step against plague weekly mortuary returns should be obtained from Municipal towns and checked. Accordingly, the Chairmen of Municipal Councils have been sending in weekly returns. In order to ensure the accuracy of the figures returned therein, the Tahsildars of Erode and Karur taluks were asked to submit a daily report to this office of every corpse taken to be burnt or buried with details as to the name, sex, age, cause of death, etc., and as regards the Coimbatore Municipality, the District Forest-officer, South Coimbatore, was requested to direct the forest tanahdars stationed near the toll-gates on all sides of the town to undertake the work. The Tahsildar of Erode now begs to know whether the return may not be discontinued as Erode is not an infected area and as the season is getting better. This is the case with the other two Municipalities and I have the honour to request you to let me know whether the returns sent by the Tahsildars and tanahdars may not be dispensed with. The Chairmen are sending in weekly reports.

Ref. on C. No. 1598-P.

Forwarded to the Sanitary Commissioner, Madras, for favour of remarks.

28th June 1899.

(Signed) C. J. WEIR,
Ag. Secretary to Government.

From Lieutenant-Colonel W. G. KING, M.B., C.M., D.P.H., I.M.S., Sanitary Commissioner for Madras, to the Secretary to Government, Local and Municipal Department, dated 13th July 1899, No. 1852-S.

With reference to your endorsement Ref. on C. No. 1598-P., dated 28th June 1899, I have the honour to state that until more "imminently threatened," I think the system of check by the Tahsildar of Municipal returns might safely be discontinued. Having regard to the fact that tanahdars are posted near the Coimbatore Municipality, I think advantage of their presence might still reasonably be taken, by directing them to make their reports to a Municipal sanitary inspector, who could use the information as a check upon returns received at the Municipal office.

2. The Chairman's weekly returns, I advise, be continued, and be sent to the Collector through the office of the District Medical and Sanitary Officer, who should be responsible for drawing attention to suspicious cases or suspicious increase of mortality.

ORDER—No. 1113 P., dated 19th July 1899.

The reports from Tahsildars and forest tanahdars may be discontinued. The weekly reports submitted by Chairmen of Municipal Councils should continue, but they should be sent through the District Medical and Sanitary Officer, as recommended by the Sanitary Commissioner.
